RECAP

ALLIANCE CHILD & FAMILY SOLUTIONS

What a great 8 years it has been!

The mission of Alliance Child & Family Solutions (ACFS) is to provide life-changing child and family counseling services to all Texans, with a high focus on access for underserved and vulnerable populations. Over the past 8 years, we have been able to make INCREDIBLE strides to providing mental health screenings, counseling sessions, case management services (GAPP) and so much more! We want to thank all of you for your continued support towards Alliance Child & Family Solutions.

Shout-out to Southlake Carroll Senior High School!

We are so grateful to partner with Southlake Carroll Sr High Student Council! Their Student Council team raised over 100 backpacks or "cuddle kits" that included a stuffed animal, a set of bedsheets, a blanket, socks and other comfort items for kiddos that are in need. We are blown away by their willingness to give back to our Alliance Kids Care program. We are so proud to be a part of the Southlake community and want to thank them from the bottom of our hearts!
